ORDER

Issued: July 28, 2004 Released: July 29, 2004

On July 26, 2004, a Joint Request for Dismissal was filed by Hilco Communications, Inc. and Cumulus Licensing LLC (previously known as Cumulus Licensing Corp.) ("Applicant Parties").

The Applicant Parties seek dismissal, without prejudice, of assignment of license of FM Station KAYD, Silsbee, Texas, because the Applicant Parties do not wish to prosecute the assignment application at this time.¹ The Joint Request also requests that the instant hearing be terminated.

The Applicant Parties have advised in the Joint Request that the Investigations and Hearings Division of the Enforcement Bureau has no objection to a grant of this request.

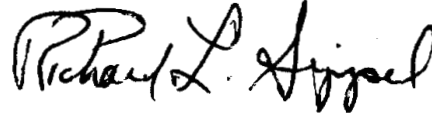

Accordingly, there being no objection, IT IS ORDERED that the Joint Request for Dismissal IS GRANTED.

¹ The Assignment Parties have once before elected to defer consideration of the assignment. See *Order* FCC 02M-90, released September 30, 2002.

IT IS FURTHER ORDERED that the application for assignment of KAYD-FM, Silsbee, Texas (File Nos. BALH-20010731ACB) IS DISMISSED without prejudice.

IT IS FURTHER ORDERED that this proceeding IS TERMINATED.²
